WHAT DO WE DO?

i-Care volunteers pick up donations of used furniture which is in good & clean condition. We then deliver the furniture items to single-parent families who are in need of it. These are families who are experiencing hardship or are in transition.

YOU CAN HELP

Used furniture which is clean, stable and in good working condition such as couches, bed frames, end tables, kitchen tables, and chairs, coffee tables. You can also help with charitable donations and by spreading the word.

OUR MISSION

Being the hands and feet of Jesus and Transforming Lives, making our city of Brampton a better place to live.

HOW TO CONTACT US
