

Immanuel Commitment Form for 2018

Scripture, Spirit and \$

As you have likely been hearing, Immanuel is planning a few things for the new year.

1. Reading the Bible in a year...a call to engage with the Bible by engaging in a disciplined plan of reading.
2. Holy Spirit events...a call to learn and experience what the Bible teaches about the Holy Spirit.
3. Financial pledges to the ministry of Immanuel. (See page two)

The third of these has become an annual event. We pledge or make faith promises to help us be aware of how we use our finances as part of our commitment to Jesus and the kingdom. It is also helpful to give our finance team a sense of where things are at for budgeting purpose.

For this year, we would also like you to share your commitment to participating in #1 and #2 so that we have a sense of how these opportunities are tracking in our congregation and to help us with planning.

So please fill out the following and return it to the office.

The financial commitment part on the second page will be removed and only given to Barb Buikema as a member of our finance team. The other two will be handled by staff and the Pastoral Elders.

Your thoughtful response to these three opportunities to participate at Immanuel is appreciated.

1. I, _____, commit to participating in reading the Bible in a year.

2. I will attend the Holy Spirit event on this date (check one):

- Thursday January 11 @ 11 AM, HCH
